## THE FAST LANE TO THE FUTURE

### Future of Mobility

What will shape the next decade?

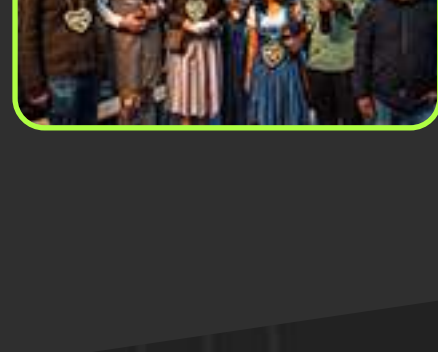

Ravi Pandit  
Chairman, KPIT Technologies

Our Co-founder and Chairman, Ravi Pandit showed the world glimpses of the exciting future of mobility at Bloomberg Quint Prime's Future Today Summit on October 14th, 2022. Tune in to catch his discussion on why mobility is at the cusp of an industry-defining transformation and the definitive shift towards electric vehicles.
