What's Up @ KPIT

Our weekly roundup  
of breaking news!

**February 18th, 2023**

## GREEN HYDROGEN TO THE RESCUE!

The second installment of the article is here!

In this part, our Co-founder and Chairman, Mr. Ravi Pandit, emphasized the significance of Green Hydrogen and how India has the potential to manufacture Hydrogen to solve environment sensitive issues.

## A NEW MILESTONE IN GOD'S OWN COUNTRY

We're grateful for your wishes as we mark new beginnings with equal gusto & fervor in Kochi. Our President and Joint Managing Director, Mr. Sachin Tikekar, inaugurated this new office space.

Here's a treat for your eyes; a virtual tour of our Kochi workspace!

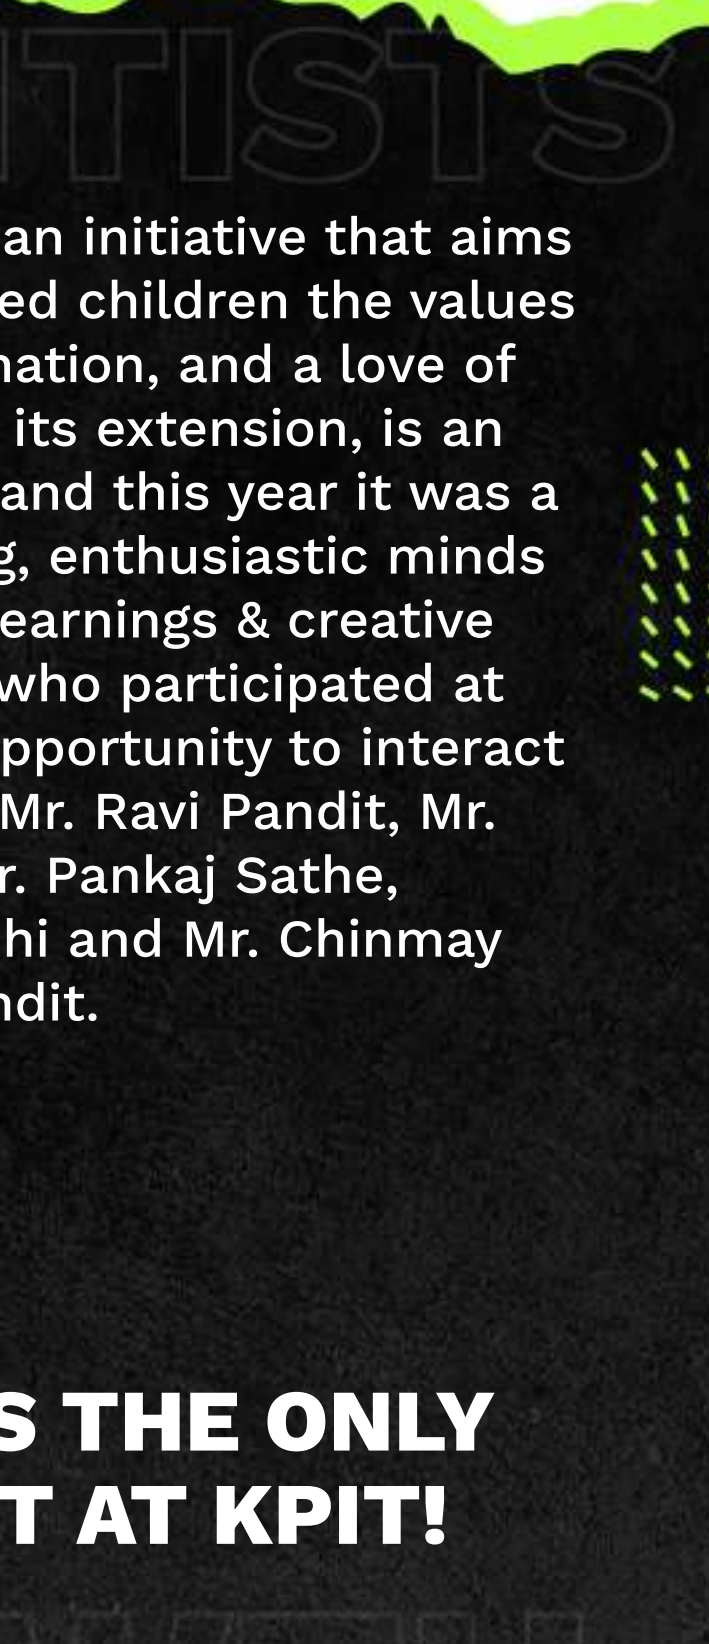

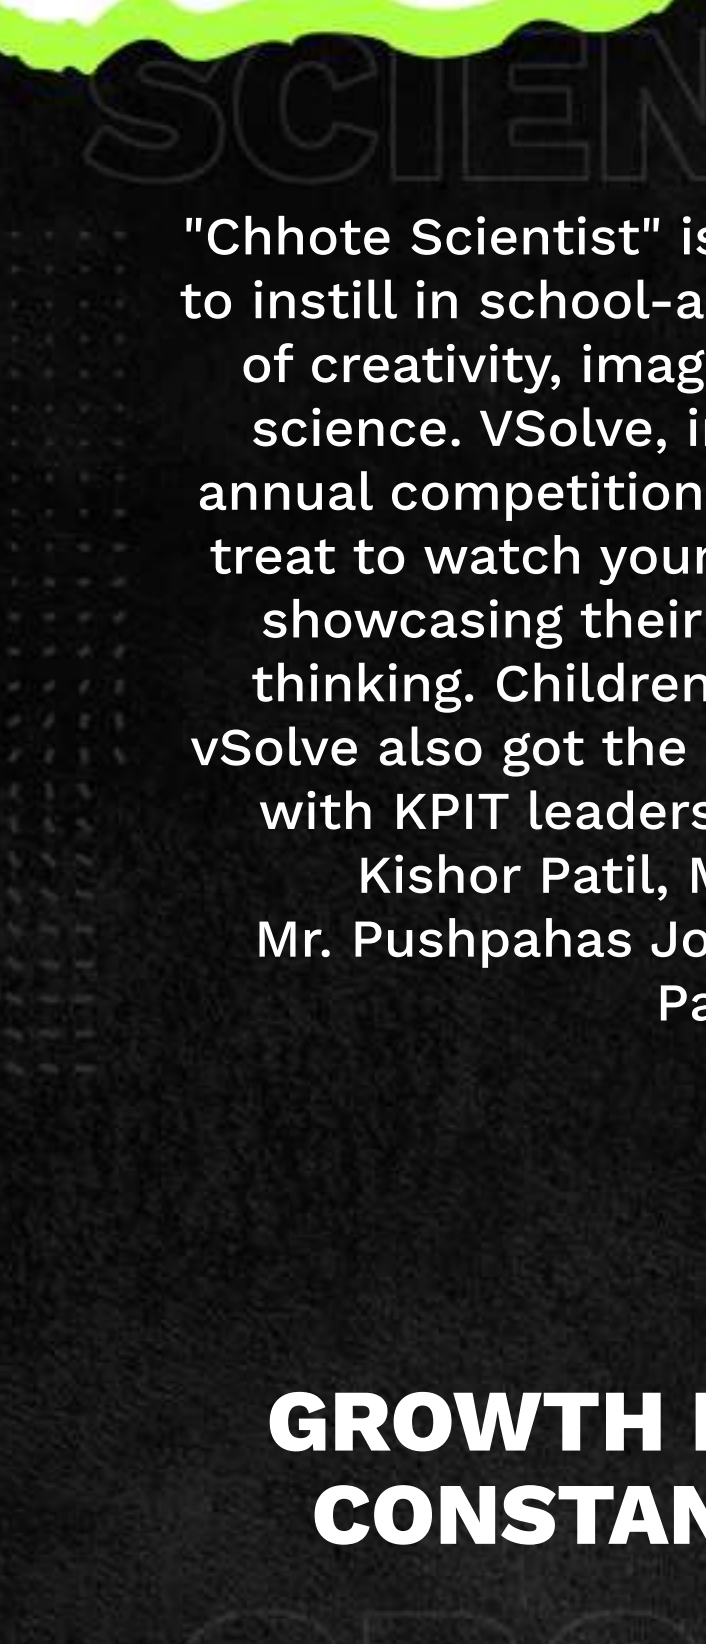

**WATCH THE TOUR HERE**

## MALAYALAM MANORAMA COVERAGE

Expanding our technology footprint and presence, our Kochi office inauguration was also featured in Malayalam Manorama, one of the most popular newspapers in the state.

## HEAR IT FROM RAZANE!

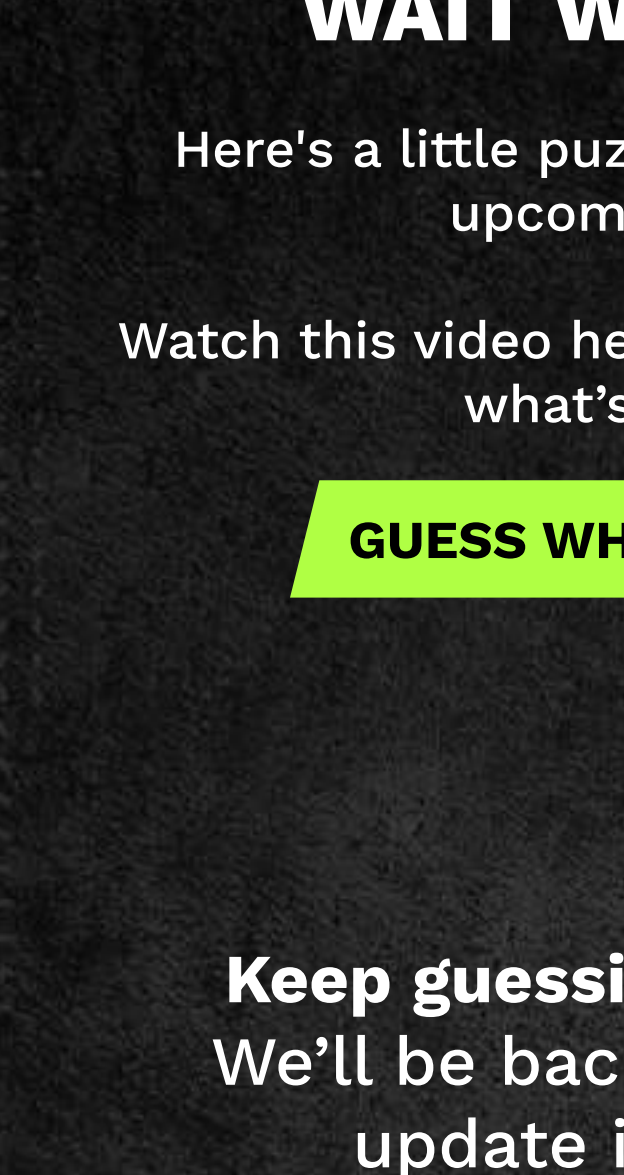

This week, Razane, a Testing Engineer at KPIT Germany, tells us about her experience with us and what inspires her to continue her great work. Welcoming opportunities, amiable colleagues & a great learning curve are some of her top three reasons!

Click here to know why she believes KPIT is the #BestPlaceToGrow.

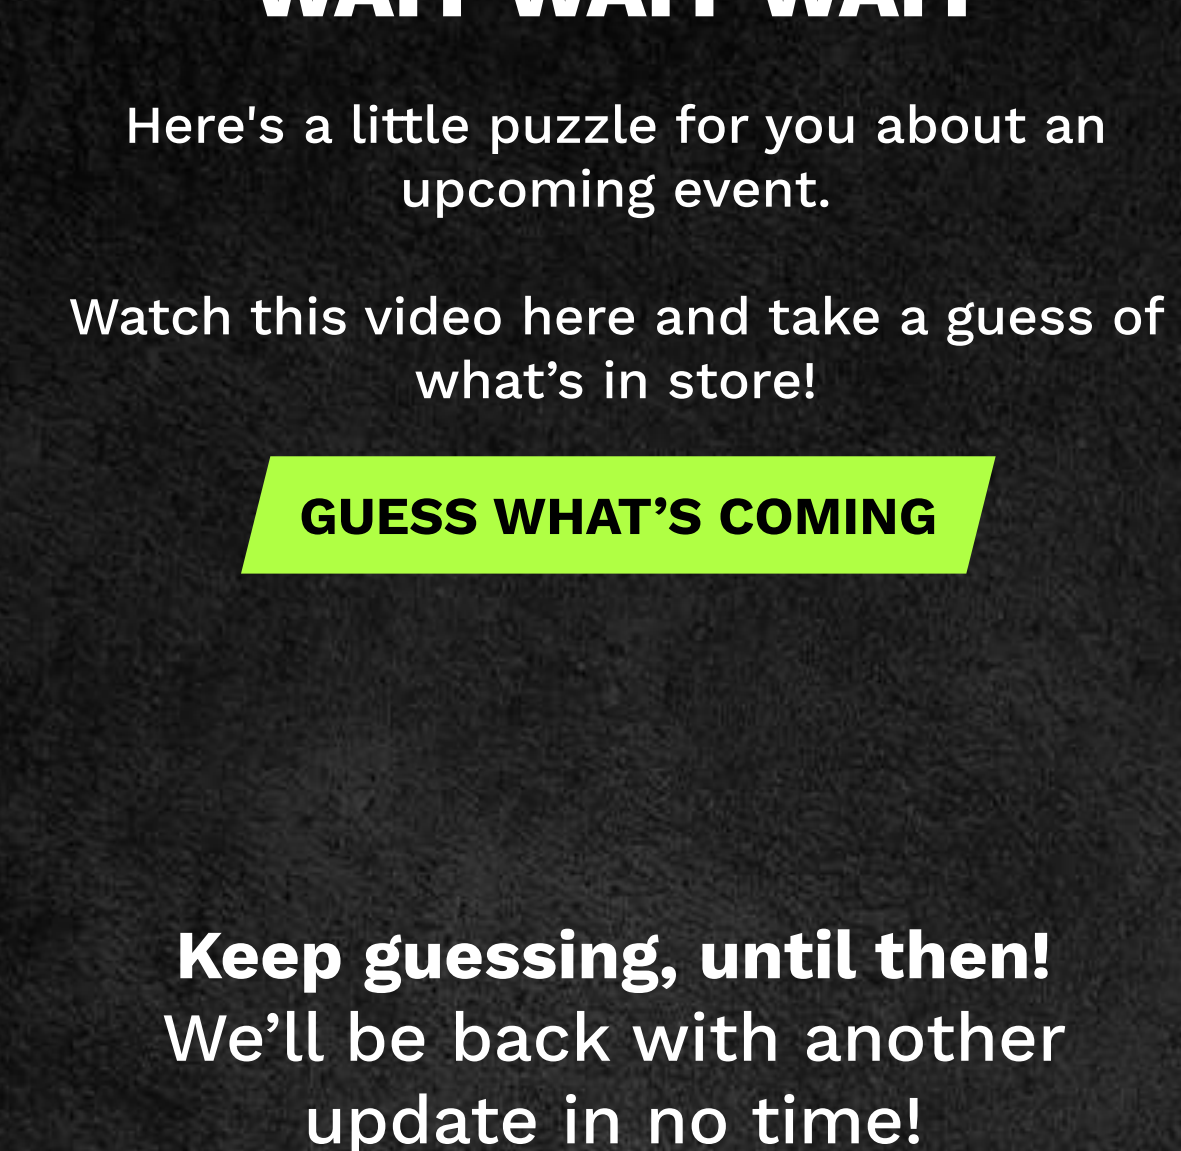

**HERE'S WHAT RAZANE SAYS**

## CHHOTE SCIENTISTS, BADI SOCH!

"Chhote Scientist" is an initiative that aims to instill in school-aged children the values of creativity, imagination, and a love of science. VSolve, in its extension, is an annual competition, and this year it was a treat to watch young, enthusiastic minds showcasing their learnings & creative thinking. Children who participated at vSolve also got the opportunity to interact with KPIT leaders Mr. Ravi Pandit, Mr. Kishor Patil, Mr. Pankaj Sathe, Mr. Pushpahas Joshi and Mr. Chinmay Pandit.

**GROWTH IS THE ONLY  
CONSTANT AT KPIT!**

Our CFO, Priya Hardikar, spoke with the Financial Express and expressed her enthusiasm for our third-quarter performance. She was positive about us beating the yearly guidance and we will be in excess of 33% with organic growth of 24%, instead of the 18-20% guidance we commenced the year with.
